

Amendments to the Drawings:

The attached replacement sheets of the drawings replace FIGS. 1-2 as originally filed on August 23, 2000. The replacement sheets are the same as the original figures but have improved line definition and improved clarity for the numbers.

REMARKS/ARGUMENTS

In the Notice mailed March 7, 2007, the drawings were deemed to be deficient because the character of the lines, numbers and letters was poor. Replacement sheets for figures 1-2 are hereby submitted. The replacement sheets are clearer than the drawings originally filed on August 23, 2000 and satisfy the requirements of 37 CFR 1.84. The replacement sheets are substantially the same as the drawings originally filed. No new matter has been added.

It is believed that this submission does not require the payment of any fees. However, if this is incorrect, please charge any deficiency or credit any overpayment to Deposit Account No. 07-1969.

Respectfully submitted,
